

October is National Breast Cancer Awareness Month! Do you or a covered family member have any upcoming scheduled Mammograms? Don't forget to utilize the SaveOn Program!

NHIT members and their enrolled family members can receive **a 20% reward (of up to \$2,000) of any savings** on many non-emergency medical services.

- Bone Density study
- Colonoscopy
- Lab work
- Mammogram
- Radiology (MRI & CT scan)
- Ultrasound
- Other non-emergency outpatient tests & procedures

If you have not had the opportunity to register for the program, call **(855) 7SaveOn (855-722-8366)** to speak to a SaveOn Nurse today. **Members will receive a \$10 reward for registering into the program.** SaveOn's Nurses will help with any necessary paperwork and will reschedule any appointment! Employees and their health care dependents can also call **every time** they require any eligible tests or procedures. Your reward is not limited to a one time use!

NHIT Members are continually being rewarded for their healthcare decisions to utilize the SaveOn Program!
