Dear Mr. Schmidt

The Warner Board of Selectmen is interested in the NHDOT parcel located at 186 Route 103 West (Map 17, Lot 001) and is requesting information as to its availability for purchase by the Town of Warner. A copy of the property card is enclosed.

In a conversation Selectman Allan Brown recently had with Philip Miles of NHDOT ROW Division, Philip recommended that the Town send a letter of interest to you. The Selectmen are considering this parcel as a site for a new fire station. I have enclosed a check in the amount of \$500 as is required in this process. If you need further information or have any questions please contact the Warner Selectmen's Office.

Yours Sincerely,

Jim Bingham
