

Community Wood Bank

The Community Wood Bank is coordinated by the Energy Committee and operates on donations of wood and volunteer labor. The wood is for people who use wood as a primary heat source and can't afford to buy it. Wood is supplied for temporary assistance on an urgent or emergency basis.

If you need long-term help with heating your home, let us know and we can help you access other resources.

For assistance please call the Selectman's Office
603-456-2298 ext. 2

Note: Wood can only be picked-up by the volunteers when the Transfer Station is open. Please coordinate your requests around those open hours which are Tuesday noon - 4:00 pm, Thursday noon - 7:00 pm, Saturday 8:00 am -4:00 pm, Sunday 8:00 am -4:00 pm.
