## **1. Henniker Fire Station Visit**

- A. The Committee members visited the Henniker Fire Station. Henniker Fire Chief Steve Burritt was available and provided a tour of the facility.
- B. From this visit some items came up as "should haves":
  - Intercom system
  - Locker room
  - Better insulation
  - metal roof
- C. An item noted as a plus is to have a domestic set of washer and dryer as well.
- D. Kimberley took pictures of the facility.
- E. Noted dimensions of some of the rooms and equipment:
  - Meeting room 28 x 32
  - 2 ambulances
  - 15 KW generator
  - 2 pumpers
  - Propane heat
  - 2 tankers
  - Equipment 80 x 68 x18
  - LED lights
  - Office section 40 x 60

Site-visit ended at 5:21 pm.

Respectfully submitted,  
Mary Whalen  
Recording secretary
