

Parks and Recreation Meeting – Thursday, Sept. 20, 2018

In Attendance: Apryl Blood, Tim Blagden.

Co-Ed Softball:

No updates to add.

Alan:

Parks are being mowed twice a week with the rain.

Mower has had about \$760 in maintenance this season, but hasn't had anything since it was purchased in 2008. Only annual maintenance up until this year (oil, filters, etc.).

Budget:

Went over next year's budget. The biggest expense will be resurfacing the tennis and basketball courts. It has not been done since it was built. We have 3 estimates on this, and will recommend one. Also, the temporary homerun fences need to be replaced for the softball field and the middle baseball field.

Riverside Park:

Bagley:

Silver Lake:
