

Parks and Recreation Meeting – Thursday, April 18, 2019

In Attendance: Apryl Blood, Scott Blasigame, Kelly Henley, Travis White and Alan Piroso.

Co-Ed Softball:

Schedule will only work with 12 teams, so we are holding it to 10 teams with a wait list. Max teams would be 12.

Women's League:

We plan to offer a women's league this summer. It was originally hosted in Hopkinton and will be taking that over. Andrea LeBlanc will be the Director for this. The fee would be the same as the spring league. Rules have been created and modified for the women's league. The season will run from Sunday after spring league until Aug. 11. So the dates are June 23-Aug. 11, which will be 7 weeks. Once 4 or more teams are confirmed, the schedule will be created by Andrea.

Alan:

Tree limbs are dead and hanging over Riverside park driveway and could cause a hazard/liability. The Board voted to remove the dead limbs to prevent injury and liability. Alan will meet with Tim Allen and the tree service representative to get an estimate for removal and schedule removal.

Infield mix delivered, Alan and Dick worked on grading the fields. Front field is done. We plan to move this task to the fall, to be ready for spring.

Budget:

Football donation was received.

Additional possible funds from Women's Summer Softball League.

Riverside:

The signs needed for the park have been ordered and will be shipped to Warner.

Field Cleanup was completed.

Bagley:

The Rink went well this year, with lots of use. It is now closed for the season. The liner is to be stored at or before the Park's Cleanup day, April 27.

We plan to re-seed the rink.

Riverside Snack Shack Building:

Apryl is working on getting some estimates together for rehabilitation of that building.

Adopt-A-Highway: we set a tentative date of May 9th, for 10-12am. We may change this next meeting.
