

How to Purchase a Cemetery Lot in Warner, NH

The Town of Warner has available for purchase to Warner residents cemetery lots at the New Waterloo Cemetery. All other cemeteries are closed.

The cost of a lot is \$50.00 plus \$200.00 for maintenance. One lot allows for 4 full casket burials or 16 cremations, or a combination of the two. Once you have made a decision, contact Cemetery Trustee Gerald Courser at 456-3521 for a tour of the cemetery to determine a location. He will provide the paperwork and once signed, he will deliver the paperwork and your personal check (payable to the “Town of Warner”) to the Selectman’s office, who in turn will create the deed for the Selectmen to sign. The deed is then turned over to the Town Clerk for her seal and signature. It is then returned to the Selectman’s office and they will mail the deed to you.
