

Warner Agricultural Commission approved meeting minutes from October 24<sup>th</sup>, 2022.

- Members discussed the minutes from the August 8<sup>th</sup> meeting. A motion was made to approve the minutes, and it was unanimously approved.
- Member Zablocki discussed monetary quotes he obtained for a one time mailer / postcard. The estimate is \$410.00 for residents only, and \$495.00 for residents and businesses.
- Members Gardner and Zablocki discussed attending a future Select Board meeting, to request funding for the mailer.
- Members discussed what types of questions should be on the future farm survey, and verbiage to include on the mailer.
- Member Gardner introduced new business, which included a request from Alice Chamberlain to attend the November meeting to brief the commission on the protection of Warner's drinking water. Additionally, Ed Michael from the Warner Emergency Management Commission requested to provide us with a briefing at a future meeting.
- Members discussed the agenda for next month's meeting.
- Communications and or public comment: None.
- Meeting adjourned at 8:08 pm.
