

Warner Agricultural Commission approved meeting minutes from December 12th, 2022.

- Members discussed the minutes from the November 8th meeting. A motion was made to approve the minutes with changes, and it was unanimously approved.
- Guest speaker Ed Mical from Warner Emergency Management gave a briefing on the hazard mitigation plan, and how it pertains to agriculture in Warner.
- Member Bob Bower voiced concerns about the town sign at the traffic circle. He stated the sign should be changed to direct more visitors into the village, which would have a positive impact on locally owned businesses. He mentioned voicing his concerns with the Warner Economic Development Committee in the future.
- Member Zablocki asked for if there was any update on the funding for the mailer. Member Gardner said she would check on the required document, and get an update.
- Members voted and unanimously approved the survey questions with the edited changes.
- Member Gardner discussed new business and recommended continuing with guest speakers at our meetings.
- Member Bob Bower made a suggestion that we try and have representation on the Fall Foliage Festival Committee.
- Communications and or public comment: None.
- Meeting adjourned at 7:51 pm.
