Meeting called to order at 1900 hrs.

Members present: Gerald Courser, Allie Mock, Steve Hall, Jon France

Town Forester Tim Wallace excused

Barbara Marty, Jody Sloan, Nancy Martin and Dawn Quirk from Conservation Committee present

Barbara gave update on the large trail map 24"X36" laminated, discussion on what we wanted listed on the map as well, trail mileage, trail color matched to blazing, elevations, parking brought up.

Request to update Town website with new information and map when completed.

The pollinator patch is going to be put on hold until further information is gathered for the location and needs for potential ski tow needs.

Trail maintenance was brought up, Allie has coordinated with Nate Brown to cut brush and open up the trails as it becomes drier, most likely in May.

Steve to get supplies for the gates, the plan is to replace the large log that restricts access with (2) 12' gates, to be mounted on posts.

Nancy spoke about the grant opportunity and that the Town has agreed to a Letter of Intent to start the grant process.

Discussion on the ski tow options and needs for such. Nancy and Jody to reach out to get further information.

Nancy went through the form for the grant:

- Town will be the grant applicant
- Project manager needed, Jody to look into who can serve as that position
- Project name, was decided to be "Chandler Outdoor Recreation Project"
- Lists of needs was discussed

Discussion on the Collins land donation, went through most current letter of agreement, Committee was agreeable with current language, Jon to follow up with Town Administrator.
