

Warner Energy Committee

Meeting Minutes

Wednesday, May 22, 2019

Attendance: Sue Hemingway, Clyde Carson, Darren Blood (notes)

- The EC will work to develop an entry for the Warner Town Newsletter. Deadline is May 30th.
- Clyde is working with the UNH Cooperative Extension to plant the correct variety of wild flowers around the Town Solar Array at the Transfer Station. The best time to plant is the fall based on information from the Cooperative Extension.
- Clyde is in discussion with the Community Action Program, Warner Senior Housing and HUD discussing solar options for low income residents.
- Sue and Harry hosted a Solarize Kearsarge event on April 25th at the library. Two Warner residents signed up for a site review. So far, 10 residents overall have enrolled from Warner.
- June 26, 2019, at 7pm will be the next Energy Committee Meeting at Town Hall.
