

Warner Energy Committee

Meeting Minutes

July 10, 2019

Present; Clyde Carson, Darren Blood, Peter Ladd, Bill Balsam, Susan Hemingway

1. Solar update; some data needs to be reset. Wildflower planting under the array is planned for fall.
2. Microgrid; discussion with HUD, BM-CAP still underway, Clyde plans to meet to further discuss viability of project.
3. Wood bank; Darren will ask Tim about the wood behind sheds. Otherwise no report.
4. Solarize/ weatherize data. Final numbers to be tallied, on the whole this was a successful initiative with many household in Kearsarge area , including Warner, taking advantage.
5. Discuss potential Economic development committee interface with EC. No report. K Edelemann is selectboard rep. Charlie Albano is chair.
6. CIP Application discussion. We decided to re-apply for sidewalk construction on Main Street toward exit 9. Darren will start application and send to EC for input. Suggestion is for EC to attend planning board meeting when this is on their agenda.
7. Single use plastics ban. Tabled.
