## Energy Committee Minutes February 23, 2022

Present; Darren Blood, Clyde Carson, David Bates, Sue Hemingway, Bill Balsam

1. Solar Update; Darren will speak with Tim Allen about spreading loam under array to prep for wildflower seeding. Loam may be available at Bagley Field. Will recruit volunteers for planting in May.
2. Wood Bank; The self serve kiosk has been well utilized, and it is being restocked regularly by Pete Ladd. An observation is there is some repeat usage by same individuals. A good supply of cordwood remains at Bank. One new client picked up an allotment. There is a potential to get some logs from an operation on the Chandler Reservation.
3. Sidewalk; There is a public hearing and information session tomorrow night about this warrant article. Invitations were sent to abutters. Town Meeting is on March 9.
4. Energy Policy review by select board; This is on the agenda for March 1 meeting.
5. EV charging stations; the groups interested in this project include MainStreet Warner, Chamber of Commerce, Energy Committee, Economic and Development Committee. They attended a select board meeting and have the intention of working together to develop a plan. David will be serve on an advisory committee.
6. Resiliency/adaptation; discussion about preparedness for climate related damage/effects on town infrastructure. Thoughts include development of revolving fund earmarked for energy related expenditures. Also, role of town planning that would involve perspective and culture shift. Bill will explore preparedness models.
7. EV/ Demo Day; More to come, no discussion tonight.
