

**Parks and Recreation Meeting –Monday, October, 14 2019**

In Attendance: Apryl Blood, Kelly Henley and Scott Blasingame.

**Budget:**

After the insurance company came through the parks a week ago, we had to revise our budget to be in compliance. The changes only effected Riverside Park. We need a new GFI in the building (not in the budget, we will handle that this year), and new mulch for the swing set of 9” deep, by 14’ front and back. Also, 3 new seats for the swing set. The total for this is \$1155. A revised budget will be sent to the selectboard. The amendment was approved by the board.

Tim Blagden was not in attendance, but agreed to the amendment.

**Next meeting set for, Monday, 11/18 at 7:00pm, at Town Hall.**
