Skateboard Park opening day will be Saturday, September 24th from 11-12. We will have a raffle of items and a giveaway of merchandise. KRHS Art Teacher was contacted and will pitch the possibility of a Senior Project to add a mural onto the ramps. If none are interested the Art Teacher would like to head it up as an art club project. We will continue to work with the teacher on this.

The tractor should be here by Friday September 16, per Tim Allen.

Summer Women's League was a bust, so we switched to co-ed pickup for the season. We will revisit it for next year.

We are working with Arcomm to get all our cameras back up and running at Riverside Park.

Bagley:

WYSA soccer is back and using the park for the season.

The water is low, and once the tractor gets here, and the york rake is added we will rake again.
