#### **Guests:**

Ben Nugent, Lead NH Fish & Game Cold Water Fisheries Biologist, Warner River Watershed Conservation Project  
George Embley, Conservation Chair, Basil Woods Trout Unlimited  
Mike Tardiff, Central NH Planning Commission

**I. Call to Order, Attendance** – noted above with confirmation; a quorum was not present.

**II. Approval of the WRLAC December 19, 2018 Meeting Minutes** – deferred, quorum not present.

#### **III. Presentation: Warner River Watershed Conservation Project – Ben Nugent, George Embley (1/2 hr)**

This project inspired the Designation of the Warner River and the data collected since 2012 is relevant to the Warner River Corridor Management Plan. Mr. Nugent and Mr. Embley each gave presentations describing the project success. Do to the efforts of Fish and Game, Trout Unlimited, numerous partners and over 150 volunteers and landowners from the communities, the Warner River watershed has more data available than all but one other watershed in the state!

**IV. Warner River Corridor Management Plan Update** - deferred with the exception of the previously scheduled Warner River Corridor Study Management Plan workshop at Mike Tardiff's office.

**V. Next Meeting Date:** Wednesday, 7pm, February 27<sup>th</sup>, 2019 at Pillsbury Free Library, Lower Level

#### **Committee Assignments:**

1. ALL - Review Warner River Corridor Study Plan Inventory;
2. ALL – Review Permit Review Guidelines (previously sent).

**IX. Public Comments** - none
